This refers to your letter of February 15, 1973 concerning the Illinois Route 133 crossing in Arcola, Illinois and the U.S. Route 45 crossings of the Chanute Air Force Base spur in Rantoul, Illinois.

By copy of this letter I am asking Division Engineer P. A. Cosgrove to take care of the loose planks and bolts on the Arcola crossing.

In regard to the U.S. 45 crossings of the spur track in Rantoul, this is the responsibility of the United States Government. Our ownership of the spur ends at our right-of-way line with the remaining trackage and crossings owned by the U.S. Government. I suggest you contact the commandant of the Chanute Air Force Base to get the necessary repairs made.

Very truly yours,

A. L. Sams
